Patents Showing: View as: Patents **11 - 20** on **inserted phase error into bit stream.** (

Sort by relevance | [Sort by date \(new first\)](#) | [Sort by date \(old first\)](#)

 Did you mean: [***inserted phase error into byte stream***](#)

Transmitting apparatus, receiving apparatus, communication system ...

US Pat. 6868789 - Filed Sep 6, 2000 - Sony Corporation

 Then, the receiving apparatus finds the **phase** fluctuation of the transmission

 ... **6**, the pilot symbols are always **inserted into** the information symbols in a

...

Frequency hopping code division multiple access radio communication unit

US Pat. 5546429 - Filed Nov 9, 1992 - Motorola, Inc.

 This protected data **bit stream** 110 subsequently has a predetermined

 synchronization sequence **inserted into** the **error** protected data **bit stream** such

that ...

High speed self-adjusting clock recovery circuit with frequency detection

US Pat. 5757657 - Filed Mar 13, 1996 - The Regents of the University of California

 T/2, since VCO 61 generates a clock signal at **stream**, where for example, ... 11

 shows the **phase error** signal at the output of data **bit** rate. ...

Digital data play back apparatus and method for playing back digital data

US Pat. 6920260 - Filed Mar 20, 2001 - Kabushiki Kaisha Toshiba

 In the case of d=0, the **bit stream** of write-data can be changed **into** an ... the

phase error information is extracted only from the portion where the ...

System for synchronizing digital **bit stream** for telecommunication system

US Pat. 4789695 - Filed Apr 30, 1987 - GTE Government Systems Corporation

 These 5 data clock pulses are "and"ed with the data **bit stream** so that when the

 ... They are typically **inserted** close to the bottom of the screen display. ...

Transmitting and receiving apparatus and method including punctured ...

US Pat. 5438590 - Filed May 24, 1993 - Comstream Corporation

 The method of claim 14 wherein the carrier is **phase** shift key modulated hi ...

 and X is a dummy **bit inserted into** the punctured **bit stream** by the register. ...

Dual mode radio communication unit

US Pat. 5392300 - Filed Nov 10, 1992 - Motorola, Inc.

 ... for gener- 65 ating a multi-**phase** intermediate signal through , the use of

 the synchronization sequence **inserted** and **error** protected data **bit stream**; ...

Token ring local area network testing apparatus **inserted** in an active "T" co

US Pat. 5425017 - Filed Jan 11, 1993 - Forte Networks, Inc, Fluke Corporation

 There must be an **error** on the network (step from the ring while tests are being

 performed. 264). In order to recover the data **bit stream** at the there. ...

Interactive information services control system

US Pat. 5481542 - Filed Nov 10, 1993 - Scientific Atlanta, Inc.

 These same **bit** streams appear at the output of the respective **phase** detectors in

 the modulator where they are interleaved back **into** a serial **bit stream**. ...

Two-way data broadcast networks
